Thursday • September 20 • 2018
The Glencoe Curling Club

The goal is simple.

Get better. Every. Single. Day.
Find new ways to push past the pain.
To shave hundredths of a second.
To gain tenths of a point.
Find a way to be ready on the day,
and every day after.
We are not just training for sport.
We are preparing for life.
We are raising the bar, pushing the limits.
We are climbing the podium
and inspiring the nation.
We are Canadian Sport Institute Calgary
and we are **Elevating the Athlete.**
